

Whether you earn valuable frequent-flier miles, bonus points, or dividends when you charge on your MasterCard or Visa, De Rigo REM makes it easy to add more to your total by charging your frame purchases to your credit card.

Purchasing frames on your credit card is convenient, easy, and FREE! It also allows you more time to pay for your purchases. You could add as much as 4 to 6 weeks to pay for your frame orders.

If you would like to regularly purchase frames in this manner, simply fill out the form below and email it to [creditteam@derigo.us](mailto:creditteam@derigo.us).

I hereby authorize De Rigo REM to charge frame purchases to my VISA or MasterCard
